

## WIDA

The purpose of the WIDA assessment is to determine a student's level of English proficiency. The placement test, administered upon the student's arrival in the United States, is used to determine which English Learner (EL) services are appropriate for the student. The annual assessment, administered in January and February, is used to determine the student's current level of English proficiency.

The annual assessment is also used for accountability purposes.

*WIDA* assesses students in grades K-12 on four domains: Listening, Speaking, Reading, and Writing.
