

MARION COUNTY PUBLIC HEALTH DEPARTMENT (MCPHD) - COMMUNITY-BASED CARE

SCHEDULE OF SERVICES FOR NURSE OF THE DAY AND IMMUNIZATION CLINICS

NURSE OF THE DAY SERVICES are available on a walk-in basis. These services include tuberculosis (TB) skin tests and medications; blood pressure screening; counseling and referrals for prenatal care, infant and child care, communicable disease services and general health counseling and referral. These services are on a first-come, first serve basis. There are certain times of the year when these services will be busier with immunization services.

IMMUNIZATION SERVICES are available as a **walk-in service** and **by appointments**** on designated days. Not all vaccines are available through the MCPHD. Also, not all adult vaccines are available at every clinic. Please call the office for further information. **PLEASE BRING A COPY OF A CURRENT SHOT RECORD and MEDICAID or INSURANCE CARD, IF APPLICABLE.** Adult vaccines will have a fee that needs to be paid prior to administration of the vaccine.

The maximum number of clients seen during clinic hours may need to be limited during busy times in order to ensure quality service and client safety.

It is requested that clients be signed in 15 minutes prior to closing time for services.
