Welcome Back College Park Students and Families!

We have not yet finalized class lists and are working on that now. Once they are finalized, the name of your student's teacher will be able to be viewed in Skyward when the district tells us we are able to make those available. We anticipate this will be no later than Monday. There will be a virtual Meet the Teacher video posted next Monday for students to see their teacher. These videos can be viewed on the College Park web site at <https://www.pike.k12.in.us/9/home>. Since students are not allowed in the building, the video will be recorded and posted for all to view at their convenience.

The district is currently creating a Parent Resource page that will be on the district website to help parents with access and other technology based information to get the year started. We utilize both Canvas and Google platforms for digital learning.

Technology

If you have signed out technology devices from the MSD of Pike, Chromebooks and/or hotspots, please remember that they are the property of MSD of Pike Township and are on loan to students in order to access Canvas and other school directed resources. Please monitor your child's use of the internet. Students are expected to follow all school guidelines for responsible technology use.

Textbook Pick Up

Families can pick up textbooks for the first semester on Monday, August 17th from 12:00-6:00 or Wednesday, August 19th from 8:15-1:00. Families should pull into the west lot, pull up along the curb outside the gym, and someone will be out to assist them in getting the books they need. All families, regardless if attending virtual school or in person/remote if necessary, should pick up textbooks at one of these times.

Bus Transportation Reminders

For all students who are attending in-person/remote learning, daily bus changes will not be allowed. All students who are a bus rider must ride their same assigned bus both to and from school everyday. Students riding the same bus in both directions allow for single bus cohorts. Masks are required for all students in order to be allowed to ride the bus.

CALENDAR

August 11 1st Day of School for Both Virtual Instruction and Remote Instruction. No In-person Instruction for Students.
