

Ladies and Gentlemen,

All teachers with an “initial practitioner” teaching license are required to enroll in the Indiana Mentoring and Assessment Program (IMAP) during both the first and second years of teaching (***Teachers working with an emergency permit are not required to enroll***). This is a simple process that takes only a couple of minutes and is done on line at:

<http://www.doe.in.gov/licensing/2015-2016-imap-enrollment-form>

Enrollment is the first step to convert your teaching license to a “proficient practitioner” (5-year) teaching license and failure to do so delays the process. If this applies to you, please enroll and send an email to [jflampert@pike.k12.in.us](mailto:jflampert@pike.k12.in.us) confirming that you have enrolled. Please contact us if you have any further questions.

THANKS!!!
