THE INDIANA ROOF BALLROOM
ESTD. 1927.

Parking Options:

There are many options for parking near the Indiana Roof Ballroom. If you are attending an event and need information, please see the options below. If you are planning an event, please contact our administrative office for more detailed information.

Parking Overview

The closest parking option is the Embassy Suites Parking Garage; this specific garage has an entrance that leads directly into our ballroom. However, we encourage our guests to keep in mind that this garage is used for surrounding businesses, and sometimes will be full. Your choices are as follows:

Embassy Suites

The Embassy Suites garage is attached to our facility and is accessible from Washington and Capitol Streets. The Washington Street entrance is the best entrance to use as sometimes the Capitol Street entrance is closed. The parking rates are $6.00/hour, $22/24 Hours.

Circle Centre Mall Garages

The Sun Garage is located underneath Carson Pirie Scott and is accessible from Washington Street. It is just steps away from our front door or accessible through the Arts Garden. The Arts Garden access closes at 9:45 pm.

The World Garage is located on Maryland Street just one block south of us behind the Hyatt. In inclement weather, you may use the bridge into the Hyatt and walk through the Arts Garden to reach us without going outside. The Arts Garden closes at 9:45 pm.

The parking rates are $3.00/hour, $22.00/Maximum.

Metered Parking

In the downtown area the days and hours of meter operation are Monday through Saturday from 7am to 9pm. The rate for these meters is $1.50 per hour. Parking at most meters on Sundays is free!

All parking meters in Indianapolis accept credit card payments in addition to coins and phone payments. This system is a mix of single space meters and multi-space pay boxes. Further information on metered parking can be found at www.parkindy.net .

Additional Garages
For other garage options available to your guests, please see the map attached.

Valet Parking
Valet parking **is not** available unless it has been privately arranged with your host organization.
